

CYE Sailing Centre Bursary Fund

Application Form for a **Group Bursary** for a school visit.

If a large number of eligible pupils in the school are unable to attend a CYE event or residential visit **because of financial hardship**, then a senior member of the school staff (usually the head teacher) may apply to the Christian Youth Enterprises Bursary Fund for a Group Bursary to assist towards the cost of the CYE visit, not including transport organised by the school.

As with all charities, funds are limited. The income available to support the Bursary Fund depends upon donations received and as such the fund will only be able to support a limited number of applications each year. The applicant will normally be expected to contribute at least 60% of the cost of the event. A small administration team, working with and on behalf of the CYESC Trustees, considers each application. Decisions made by this team are final. There is no appeal process.

Note: the "Counter Signature" section of this form must be completed. We cannot consider any application that is not endorsed and counter-signed by an appropriate person.

Your feedback is valuable in helping us to maintain the fund and in reporting back to our donors. Therefore, a condition of receiving an award will be that you complete a simple questionnaire about the impact that the award has made for the pupil. We will use this to report back to those who have donated to the fund, and to help promote future donations. We will contact you for your feedback after the event.

It is essential to return this form to CYE 14 weeks before the visit to CYE.
